

## **U3A LONG/MEDIUM WALK & CHRISTMAS LUNCH**

### **Widmerpool/Keyworth Tuesday 10<sup>th</sup> December Pub lunch at Wysall**

Approaching Widmerpool from Keyworth direction:- On reaching Widmerpool, turn right with main road before entering Main Street and go onto Wysall Lane. After about 100 m ( or 100 yds in old money!) pass Willoughby road on the left and, immediately after, turn right into Church Lane (cul de sac). Immediately after this turn there is a large triangular area which should be suitable for parking. The roads around the centre of the village are not very suitable for parking.

Approaching Widmerpool from the Wysall direction:- As soon as you reach Widmerpool, take the 1<sup>st</sup> turn left into Church Lane as given above.

The fairly gentle circular route via Keyworth is about 8 km (5.5 miles) mainly on fields and track. There is one unavoidable section of road walking (pavement ) across the south of Keyworth, where there should be toilets at this half way point. There are a considerable number of well maintained stiles and one field of rather adhesive clay!

After returning to Widmerpool, we shall have to drive about 2 km (1 ¼ miles) to the Plough at Wysall where we are booked in. Food is good pub grub, nothing exotic. See separate menu. Seating is around small tables located throughout the pub. As we think there will be about 20 of us, the Landlord has asked if we could pre-order the food. Please could you give me your orders by Tuesday 3<sup>rd</sup> December:- [mike@mikeallery.plus.com](mailto:mike@mikeallery.plus.com) or (0115) 9177150. Any questions? Please use e-mail or landline 'phone number. On the day of the walk, our mobile numbers are Mike 07759 400966 Anne 07759 400972.
